# Introduction to MFC

We are a vocational school specialised in short, rich, and intensive student training in the professional world of fashion. From beginner to advanced level, our school focuses on **one-on-one training** tailored to each student's characteristics, skills, and goals. Students will develop specific skills and, where applicable, prepare portfolio materials. All students receive a Certificate of Study issued by MFC upon course completion.

# How is the Total Course Price Calculated?

**Total Course Price** = Enrollment Fee* + Course Price (VAT included) + Documentation Fee**
* Enrollment fee: €180 (VAT included)  ** €150 (VAT included), only if an Enrollment Confirmation Letter is requested.
Please read more about the visa, refund, and cancellation policy on pages 11 & 12.

# Course Schedules

- Courses may **start any Monday** (except Italian holidays — see School Calendar, page 13).
- Scheduled **4 days/week**, Monday–Thursday.  **Full-Time:** 9:30 am–12:30 pm & 1:45 pm–4:45 pm (6 hrs/day).  **Part-Time:** Morning or afternoon only (3 hrs/day).

⚠ To receive the final certificate, absences must not exceed 15%. Only medical certifications are accepted as valid justification.

ⓘ For courses of 3+ months, attendance is only required for obligatory sessions. Students must complete at least 85% of exercises to receive the certificate.

# Course Combination

It is possible to **combine multiple courses** and compose your own personalised program. Simply select your desired courses and durations in the application form, choosing a Monday start date that avoids school closures. MFC will evaluate the feasability of the choosen combination once the application is submitted.
A course combination (a package) is counted as one singular program, subject to a single invoice and refund policy. The enrollment fee is charged only once per package, not per course.
Students wishing to extend their studies or add courses during their program may contact the MFC team. All requests are subject to scheduling and availability.

We do not provide visa sponsorship or direct assistance with visa applications, nor can we guarantee visa approval. Visa application and processing times may take several months, so students are strongly advised to verify the requirements and begin preparations well in advance of their intended course starting date.

## Enrollment Confirmation Letter

- Issued upon request, **after receiving the required first instalment or full course payment,** signed and stamped by Milan Fashoin Campus.

- **€150 documentation fee** applies (VAT included) .

## For Non-EU Students

- **Stays up to 90 days:**
  Based on previous students' experiences, some have attended with a tourist visa or through visa-free entry, depending on their nationality and individual circumstances. However, visa requirements vary by nationality and purpose of stay. Students must verify the appropriate entry conditions with the relevant authorities.
- **Stays over 90 days:**
  - *Before enrolling*, students are strongly advised to consult the relevant Italian Embassy or Consulate to verify their eligibility and the requirements for obtaining an appropriate long-stay visa. Visa regulations vary depending on individual circumstances and the purpose of stay, and approval cannot be guaranteed.
  - After arriving in Italy, students holding a long-stay visa must apply for a Permesso di Soggiorno (residence permit) within 8 working days and arrange their Codice Fiscale (Italian tax identification number). For further guidance, please consult our **welcome kit guide**.

For entry requirements, consult the Italian Embassy or Consulate in your country or the official **Visa for Italy website**.

# Cancellation & Refund Policies

**Non-refundable fees:** The enrolment fee (€180) and the Enrollment Confirmation Letter documentation fee (€150, if issued).

For student-initiated cancellations, refunds are calculated on the VAT-inclusive course price according to the following schedule:

|---|---|
| 45+ days before course start | **90%** |
| 30–44 days before course start | **80%** |
| 15–29 days before course start | **60%** |

The percentages above already account for standard cancellation-related administrative, banking, and accounting costs. No additional standard cancellation fee will be deducted.

## General Cancellation Conditions

- **Cancellation notice:** All cancellation requests must be submitted in writing to info@milanfashioncampus.eu. The email sending date will be considered the cancellation date.
- **Health-related cancellations:** An official medical declaration is required for cancellations due to health reasons.
- **Force majeure:** If a student cannot attend due to force majeure or officially declared pandemics, refunds are subject to the standard cancellation policy and applicable law.
- **Course combinations:** Once a combined course package has started, no separate refund will be issued for individual courses within that package.
- **Cancellation by MFC:** Milan Fashion Campus reserves the right to cancel a course within one month before its scheduled starting date. If MFC cannot provide the course, all fees paid will be refunded unless an alternative arrangement is accepted by the student.

All conditions are subject to applicable mandatory consumer protection laws.
